A Church of England Academy

Religious Education Policy

***Achieving great things through learning and growing together
in a love-filled Cristian family.***

Our Vision

Through a positive caring environment, we provide the opportunity for every child to reach their full potential. We embrace Christian values and ensure all children are ready for their next steps.

Introduction

RE is central to the purpose of St Barnabas Primary school because, as a church school, we see that the Christian faith informs all aspects of our life together and commits us to a search for truth.

RE at St Barnabas explores how individuals and communities make meaning and sense of their lives through the major religions of the world. It enables pupils to know about, understand and respond to the important and ultimate questions of life. RE is taught in such a way that it inspires pupils to explore, develop and affirm their own faith and values and have respect for the faith, beliefs and values of others. It is not the practice of this school to preach to or seek to convert children. Values education permeates the RE curriculum at St Barnabas Primary School.

Aims

Our RE supports and strengthens the vision, ethos and values which are at the heart of what we aim to do in every aspect of school life. The importance placed on the development of the whole child spiritually, morally, socially, culturally and intellectually is reflected in the RE curriculum

Specifically, RE aims to enable pupils of all abilities and stages of development to:

- Develop knowledge and understanding of Christian beliefs and practices so that they understand the importance of the Bible, the role of the church and recognise that for Christians their faith provides a way of interpreting life and its meaning.
- Develop knowledge and understanding of the beliefs and practices of some of the other principal religions in Britain.
- Understand how belief may impact on culture, relationships, values and lifestyle.
- Understand how belief can be expressed in a variety of ways including art, dance, music, ritual celebration and in different cultural settings.
- Develop spiritually, morally, culturally and socially by helping them to reflect upon personal feelings, responses and relationships.
- Explore ways in which religious values and teaching have an impact on actions and decisions for people of faith

- Be supported in their own search for meaning and purpose in life.
- Develop a sense of awe, wonder and mystery.
- Explore concepts of love, forgiveness and sacrifice.
- Develop skills of reflection, empathy, communication, analysis, investigation, interpretation, evaluation and synthesis.
- Develop attitudes of respect, sensitivity, open-mindedness and self-esteem.

Legal Framework

At St Barnabas the Blackburn Diocese Syllabus is our statutory document for the teaching of RE.

Parents have a legal right to withdraw their children from religious education lessons, but as RE is central to the life and identity of our school, we would ask parents to discuss with the Headteacher any reasons they might have for doing this.
